

Governors

At Misterton Primary School there is a committed body of school governors who are crucial to the strategic development of the school.

Governors meet as a whole governing body at least 3 times a year. In between this there are meetings of the Finance, Pupil and Personnel and Strategic committees.

The Finance Pupil and Personnel committee monitors all financial aspects of school as well as supporting the school with pupil welfare and staff management. The strategic committee monitors the progress of children and the school improvement plan which relates directly to the most recent Ofsted inspection.

In addition to this the Head teacher and Chair of governors' work closely together meeting regularly to support the school and raise the profile of the governing body.

Governors regularly visit school, supporting and observing in the classroom, attending relevant training and assisting on school trips. As a mechanism to engage with parents/carers governors attend parents evenings, this provides useful feedback which informs governors of the experience families have with school.

At present the governing body consists of two staff representatives (Mr Green and Mrs Young) ; three parent governors, selected by parents, (Mrs Jane Wilson and Mrs Jill Fairbank, Miss Sutcliffe); six co-opted governors (Mrs Hazel Brand, Mr Ravinder Saib, Mr Andrew Horton, Mrs Gill Smith, Mrs Debbi Smith and Mr Ian White).

The Pupil, Personnel and Finance Committee members are:

Mrs G Smith, Mr Horton, Mr Saib , Mrs Young, Mrs Fairbank and Miss Sutcliffe.

The Strategic Committee are:

Mrs D Smith, Mrs Brand, Mrs Wilson, Mr White and Mr Green.

Name	Type	Start date	End date	Term of office	Register of Business Interests / Other info

Mrs Jane Cappleman-Jackson	Head Teacher				None declared

Our governors have a range of skills and experiences which enables us to make fair and realistic decisions. Each governor has areas of special interest to look after. This involves working with the appropriate staff member in school. All governors have voting rights on their committees unless they declare an interest in an agenda item; Mrs Cappleman-Jackson does not.

Link Governors ~ 2016-17

Area	Governor Responsible	Teacher Responsible
