Dear Parents and Carers,

Introduction of New School Meal Supplier

Due to increased costs, we are changing our school meal provider. We are pleased to inform you that from September 2025, we will be partnering with, **Ideal School Meals**, to provide nutritious and balanced meals for our pupils.

After careful consideration, we selected Ideal School Meals for their commitment to high-quality ingredients, varied menu options, and excellent standards in food safety and nutrition. Their meals are designed to meet all government nutritional guidelines and to encourage healthy eating habits among children.

Some key features of the new service include:

- Freshly prepared meals using seasonal and locally sourced ingredients where possible
- Daily vegetarian and allergen-friendly options
- A wider variety of dishes to suit diverse tastes and dietary needs
- Reduction in cost to families per meal
- Online menu access for parents to review and pre-order meals (more information to follow)

We understand how important mealtimes are in a child's school day, and we are confident that this change will be a positive one.

If you have any questions, please take a look at <https://www.idealschoolmeals.co.uk/>
Additional information will follow soon.

Thank you for your continued support.
