Nottinghamshire County Council

Nottingham City Council

NHS Nottingham and Nottinghamshire

Have your say on a new **mental health website**

Local mental health leads would like to the understand current experiences and feedback of people with lived experience, carers and professionals on accessing information about local adult mental health services. Your views will help to inform the development of a mental health website for adults and other avenues for consideration when promoting mental health services. To read more, visit: Current and previous engagement & consultations - NHS Nottingham and Nottinghamshire ICB

How to get involved:

- Complete the online survey here or request a hard copy
- Share your views over the phone
- Express your interest in joining an online workshop at a future date
- Invite the Engagement Team to your community group meeting
- Join a co-production group to be involved on a more ongoing basis

To share your views over the phone, request a hard copy of the survey, join a group or to invite us to your community group meeting, please contact
Email: nnicb-nn.engagement@nhs.net
Mobile: 07818580719
Please contact us if you would like this information in a different language or format.

Scan the QR code below to complete the online survey

All engagement ends on Sunday 30 October 2022
