Misterton Primary and Nursery School Newsletter

Developing into a Take Care School

3rd March 2025

Dear Parents and Carers,

This week...

World Book Day is on Thursday 6th March and children and staff are dressing up as a book character. There is a prize for the best costume in each class. Please do not feel this has to be bought, often the simple homemade, put together costumes win.

Join us for Book and Biscuits at 9am.

Please keep checking newsletters and the website calendar for dates on the latest events.

Breakfast Club

We applied for the early roll out of the Governments free breakfast clubs and are pleased to share the from 22nd April 2025, Misterton Primary will be offering breakfast club to all our children free from 8:15am-8:45am.

For those needing earlier hours breakfast club will open at 7:30am.

Further information will be coming out about this as we get the information into school.

Swimming

Aqua Buddies will be our new swimming provider and we are working together to get the children swimming again. Swimming will be starting on the 25th April 2025 for our Year 5 and 6 children.

For your Year 3 and 4 children we are looking at how we can finish off what they started under the Local Authority School Swimming.

Road safety

I have witnessed a few dangerous situations recently with children exiting the car onto the road. Please can we all work together to keep the children safe. It is much improved not children are all crossing the road with our crossing patrol.

Staffing for the Summer Term

Miss McNamara will be leaving us to move onto something else, on the 21st April 2025. I am currently working on finding the right teacher to work with these children for the summer term and I will share this with you once I have this information.

SENDCo for the summer term will be Mrs Cappleman-Jackson who has held this role in a previous school. I am currently joining as many SEND meetings as I can and will be meeting with the parents with SEND children in the summer term, the first date is the 1st May at 9am. Please let me know if you are joining me. I look forward to gaining your views and ideas.

Our football coach

Steve Lee has supported our school football teams since before I started at the school and I fondly remember him asking if I knew anything about football. My answer was no and he stepped in, almost 15 years ago now to keep it running for the school and most importantly for the children. We are having a collection for him and if you would like to contribute, please add to the envelop in the school office.
