

 Misterton Primary
and
Nursery School

Sporting Events

Misterton Primary and Nursery School have been in many sporting events this term and have represented the school in district and county sporting fixtures.

Misterton Primary and Nursery children were successful in going through to the finals in the athletics district event and came fourth in placing. They all had an award in assembly today and the children and staff shared how proud we all are of their achievement.

Another sporting fixture was the Nottinghamshire County cross-country event and again our children went through to the final where three of them ran last Saturday at Worksop College. It was a pleasure to join the families and cheer them on over the finishing line.

Football starts back soon and training is underway as the first games are set on the calendar for March 2025.

Swimming

Unfortunately, we have been let down by Nottinghamshire School swimming service for the last half term. I have been speaking with them and they apologise for this and understand all of our frustrations. I have had communication from them that they still cannot find swimming teachers for us. I have since met with another provider and as soon as I have any further details for us going forward I will be in touch.

Crossing Patrol Supervisor Visit

During the Supervisor of the Crossing Patrols visit, some families crossed in a diagonal, which stopped Mrs Harris being able to keep them safe. Please can all families cross the road in line with the school gate.

A few children also got out of their cars in the road traffic and walked along the grass verge to the gate. Please park and then allow your children to cross with Mrs Harris.

Dates for Spring 2025

17th February Half term holidays start

24th February Children back to school
