Spring Term January 2026 Newsletter.

I hope you have all had a lovely time over the Christmas holidays and I wanted to wish you all a Happy New Year.

Uniform

With such cold weather currently, please make sure your children come to school with a coat. We are ensuring they wear their coats when outside.

Should any more snow or ice come, wellies or a change of waterproof shoes help the children to join in the fun and go on the field.

Our School uniform is black or grey trousers, skirt or pinafore dress. Polo shirts are white or red and jumpers and cardigans are red. Socks or tights are black, grey, red or white and shoes or trainers are black.

Please support your child in not having jewelry other than a watch and stud earrings, which they must be able to remove themselves. Nail polish is not allowed.

Sensory Needs

We do have children in school that have sensory needs and the type of need is identified through a sensory audit, which SEND children have completed. These children have an agreed plan to have a sensory toy (fidget toy). We now have many children with these and I do not want to remove all of these but have asked that only one is in school and that they stay in the classroom, again unless their SEND plan states differently.

Appointments

We kindly remind families that routine dental and optician appointments should be arranged outside of school hours wherever possible. If an appointment is urgent or cannot be scheduled outside school hours, please inform the school office in advance and provide details as required.
