Autumn Term September 2025 Newsletter.

I hope you have all had a good summer and enjoyed the warm weather as a family. This September has definitely seen a change with the rain, wind and drop in temperatures. Please send your child with a coat from now on, as if it is drizzly, we will still go outside.

We have welcomed Mrs Savory into our team this academic year and as Deputy Head and class teacher for Y4/5 Our Monet Class. Mrs Savory is the Leader for EYFS and joined the welcome meeting for our new Nursery Children. She is also leading on Maths.

We have been able to have Mr Gough and Mrs Dyson join us to support the teaching teams until their new roles start.

Exceptional Home Learning.

The Home Learning the children and families have created this summer has been incredible. In the 15 years I have been at the school, this year has been breath taking. This work is not only for the child but for the family to share together, including grandparents, uncles and aunties for those who I understand have busy work commitments.

BPBP Coffee Morning

On Friday 26th September at 9.00am Kerry Macadam is joining us for coffee and to support parents with anything behaviour linked. She is here to listen and support you. Please come and gain practical ideas to help.

Read Write Inc.

A date for your diary, Nursery and Reception parents, our English Leader Mrs Jones and Mrs Marsh is meeting parents at 9.00am and 3:30pm in EYFS on Monday 22nd September.

Maths Workshop

Ideal Meals- our new catering provider.

I hope you are finding your way round our new system of ordering with Ideal Meals. The numbers are growing daily, the meals have five choices, and we have been very impressed with the meals they are providing. If your child is going to be off, please notify Ideal Meals on 01522 246424 by 8am so they can credit your account. For universal and free meals, this does not need to happen.

Cars and Children's Safety

Children's safety has to come first. Please drive carefully and lower your speed when driving where children are coming to school. A car has been reported by parents for speeding close to the school. Please can cars park respectfully for our school neighbours. The area on the opposite side of the zig zag lines outside school are not for parking. Our crossing patrol and parents need to be able to have clear visibility of the paths and road, for safe crossing. The car park is for staff and disabled visitors, dropping off for Breakfast Club or picking up from Afterschool Club. A very small number of parents have permission to park in the turning circle. This is arranged through a meeting with Mrs Cappleman-Jackson. We need access at this point should any emergency vehicles need to come onto the site.
